Just a Note:

You may have by now received the 2026 Catholic Services Appeal letter and materials from Archbishop Shelton. It's hard to believe another Years campaign is underway which funds so much of the work of our archdiocesan Church in Central Kentucky. And this is very personal to me and us, as it also supports the great retired priests that I have been able to have for our Masses here at St. Teresa.

For the past 3 and 1/2 years since I have been here, we have reached our goal. I know this year brings a little uncertainty as we await the results of the Archdiocesan planning process, but I do believe that in good faith we want to show that we still support the wider church, which I think will bode well for our future too. I know there seems to be so many things asking for donations these days, but do prayerfully consider what you might be able to pledge or give.

You will also be receiving from me a personal letter not only regarding CSA, but a little financial update, report on our Fall Fest, and any further information I am aware of regarding the Archdiocesan Planning process. I always want to be honest and transparent in every way possible.

Also, this month of October is Respect Life month in the Church. We pray for and advocate for policies which honor and respect all human life from conception to natural death. Along with abortion, we also stand against assisted suicide and the death penalty as major life issues. But neither do we neglect the treatment of immigrants, all forms of racism, food insecurity, abject poverty, growing income inequality, and other issues that impact the dignity of the human person. We also include fostering a deep respect for creation, our planet and the environment.

Lastly, see the flyer in this weekend's bulletin regarding our parish anniversary dinner and gathering next Saturday, October 10th following the 4:00 PM Mass in our parish hall. Blessings, D Lucio

FAITH FORMATION
